MODULE 8 – TACKLE/RUCK

8.1 Keeping the Tackle/Ruck tidy

8.1.1 What is the definition of a Tackle?

--

8.1.2 When does a Tackle become a ruck?

--

8.1.3 The 3 priorities for the referee at the Tackle are listed below. What should the referee be looking for each them to do?

1. Tackler

--

2. Tackled Player

--

3. Arriving Players

--

8.1.4 “You are on the ground you are out of the game”

(a) Under what circumstances does this apply to players?

(b) Under what circumstances does this not apply to players?

8.1.5 Black 15 runs back towards the ball just inside his 22 after Red have kicked through. All Red players are onside and two are in close proximity. As the Black player drops on the ball, the referee tells the approaching Red players to “let him up”. Do you have any comments on this?
