## **PRESIDENT'S FOREWORD**

It is a great privilege to be welcome you as President of Dorset & Wilts RFU for the 2022/23 year. This time last year I commented that there was no certainty when the 2020/21 season would commence and indeed of course in never did!

There was no competitive rugby at all at club or representative level and it was not until June that the Restart to Rugby programme permitted clubs to play a small number of fixtures to give players the opportunity to at least experience a form of the game before the summer break.

Despite this enforced break I know there has been and continues to be a tremendous amount of work being undertaken by the clubs within the two counties both to address all the issues surrounding returning to rugby but also the roles many play within the wider community as well.

The Dorset and Wilts RFU Council and Management Board have also worked hard in all the circumstances to both support our all clubs wherever possible through this difficult period and to review how the management of the Union is structured to endeavour to make it as responsive and relevant possible to face the many challenges going forward.

That said it is with heightened optimism that we now look toward the new season when we will hope to see all forms of the game rugby across all the different groups and age ranges return to something near to normality within the framework of both competition and social rugby required to help rugby to flourish in Dorset & Wiltshire.

I think we all know the road might continue to be bumpy at times particularly in the early part of the season, but I am encouraged by the very positive approach clubs are adopting in meeting these challenges.

Finally, therefore I do wish all our clubs, senior and junior ,schools and higher education groups together with all the many hundreds of volunteers whose energy and enthusiasm keep them all going the very best for rugby in the 2022/23 season and beyond.

Vey Best Regards

Michael Moysey

President

## DE-REGULATION FOR DORSET & WILTS RFU LEAGUES (COUNTIES 2 AND 3 DW SOUTH/CENTRAL/NORTH) FOR THE SEASON 2022-23

The RFU, through the South West Regional Organising Committee (SWROC), has delegated to constituent bodies the organisation of the Counties 2 leagues (formerly Level 8) and below. Dorset & Wilts RFU, subject to the approval of SWROC and the RFU, may de-regulate those leagues. The de-regulation that will be applied in Dorset & Wilts Leagues is summarised in this Appendix. Clubs should refer to their appointed League Secretary for guidance who will administer in accordance with RFU Regulation 6, and the administrative instructions issued by the SWROC and the de-regulation set out in this Appendix.

1. **Principles of Promotion.** RFU Regulation governs the promotion of teams. The composition of leagues in the Dorset & Wilts Leagues will be recommended by Dorset & Wilts RFU and submitted for SW approval before each season. Dorset & Wilts RFU may nominate eligible teams for promotion taking into account the principles promulgated by the RFU. It is expected that only 2 teams will be permitted promotion to Counties 1 leagues (Formerly Level 7). RFU performance criteria will be used to place the three Counties 2 league winners in order. The first placed team will be promoted and the other two will play off unless one declines or is ineligible or circumstances enable all 3 to be promoted. If more than 3 promotions are possible then eligible runners up will be graded using RFU performance criteria. At Counties 3 (formerly Level 9) an eligible league winner should expect promotion but thereafter structural and travel considerations as well as RFU performance criteria will be taken into account by Dorset & Wilts RFU.
2. **Application to be exempt promotion.** RFU Regulation requires notice to be given by 31<sup>st</sup> January to express a preference not to be promoted. Dorset & Wilts RFU's recommendations to the SW have to consider the merits of the case against the imbalances that might result in the structure. If promotion is declined and agreed, then the following season promotion must be accepted if it is achieved as per para 1.
3. **Relegation.** The number of teams in a league, whose number may change in accordance with the structure of the leagues for a future season, the locations of those teams, and relegations into Counties 1 and Counties 2 consequent on Regional changes will govern relegation within the Dorset & Wilts Leagues using league table outcomes and comparative performance at Counties 2. The recommendations on relegation to be made to the SWROC will take into account fixtures and travel in the next season. Teams may request relegation, 31<sup>st</sup> January, giving grounds for it but in general the bottom team in a Counties 2 league should expect to be relegated but may find they are not. Teams may also request by 31<sup>st</sup> January that they should not be relegated. All applications to Dorset & Wilts RFU in respect of promotion and relegation will be taken into account before a recommended structure is submitted to the SWROC.
4. **Referees.** RFU Regulations cover the appointment of match officials. In the Dorset & Wilts Leagues the host club cannot rely upon the referee society to appoint a match official. Where one is not appointed, or becomes unavailable, the onus will be on the host club to arrange a referee, consulting the opposition team as to whether they can assist and keeping the league secretary informed of their progress in solving the problem. Where this is not done, and where the League Secretary deems the host club has not made the necessary effort to appoint a referee, then a league fixture will be deemed to be forfeited and will not be postponed to a later date if that is the only reason for postponement.
5. **Eligibility & Registration - Players.** All players in the Leagues are to be registered in accordance with

RFU Regulation. (See Reg 6 para 14 and Reg 14.) This means all players playing in the leagues will need to be registered with the club. However, in Counties 3 we will be happy for the players to be affiliated to the club, if not registered.

6. **Eligibility – Teams**. Eligibility is summarized in Reg 6 para 15-18 but in the Dorset & Wilts Leagues in order to enable players to play a game on a regular basis then any two or more clubs may nominate a joint (composite) team for entry in the Dorset & Wilts Leagues. This team may contain players affiliated to one or the other. The composite team will not be able to play in the same league as either parent club or at the same or higher level and one club must take responsibility for administration and discipline. A composite team is usually to be declared and entered prior to the start of a season but in the event that a team is expunged or withdraws during a season then, with the agreement of the League Secretary, the players may then join with another club's players and form a composite team to fulfil fixtures in the Dorset & Wilts Leagues.
7. **Team Composition**. In the event that a significant number of players who play at a higher level play for a lower XV then the League Secretary may request an explanation and award a sanction if they are not satisfied with the answer.
8. **Higher Level Team Not Fielded**. In the event that a lower team is fielded in the Dorset & Wilts Leagues and wins its match when a higher XV of that club does not have a fixture, or that fixture does not take place, then there will be grounds for appeal to the League Secretary to review the result if it is suspected that a significant number of players from a higher level team have been fielded. In particular if a team defaults in the league and the club has a lower team in a league that plays and wins on the same day then that lower team may be deemed by the League Secretary to have played and lost, a Nil Nil score being returned. The circumstances of each such concession will be examined by the League Secretary.
9. **Replacements**. RFU Regulation restricts sides to three replacements at Level 5 and below and for a team to have at least one Front Row nominated reserve in the squad. However in the Dorset & Wilts Leagues up to 5 replacements will be permitted at Counties 2 and an unlimited number at Counties 3. No additional Front Row players are required. Rolling replacements are permitted as per Reg 6 para 63 but the number of interchanges depend on the number of replacements: 8 interchanges is the limit with 3 replacements, 9 for 4, 10 for 5 or 6, and 12 for 7 or more. Replacement after 12 interchanges is not permitted under World Rugby rules, even where further injury or blood incidents occur.
10. **Additional De-Regulation for Level 9**. The following additional de-regulation is authorised for teams in Counties 3 of the Dorset & Wilts Leagues. They include some but not all aspects of Game On. However as laid down in RFU Regulation 55-56 if both teams agree to adopt additional Game On principles then the outcome of the match can be submitted as a valid result. It is to be noted that the RFU guidance states that both teams must agree which of the Game On principles will apply to the match and notify the referee at least 30 minutes prior to kick off by completing a Game On Match card. If both teams cannot agree which principles to apply the match will proceed without the application of the Game On principles. This will mean in accordance with this de-regulation.
- 10.1. **Player Numbers - Concessions and Point Deductions**. Points are not deducted if a team plays

a friendly. Under SW Administrative Instructions a friendly must be played with at least 12 players of its own. However, they can borrow players and play a valid match, but teams are to be of equal numbers. This will apply in Counties 2 and Counties 3 of the Dorset & Wilts leagues if a team enables any kind of friendly to take place – in most cases by travelling with some of their players - then no league points will be deducted as long as a game takes place. If a team is short of players, the opposition is strongly encouraged to loan players to the team that is short of numbers. If the opposition do not loan players (or have no replacements to loan) then the match will be played with sides of equal numbers based on the lowest number fielded by one of the sides. The minimum number for a valid match will be 10 in a team. If a team playing in Counties 3 refuses to loan players - or its members refuse to be loaned - or declines to play a friendly when the offer has been made then, at the discretion of the League Secretary, neither team will be awarded points and the match will be void.

10.2. **Front Row and Uncontested Scrums.** At Counties 3 for a match to be valid a team must start with a front row capable of playing the fixture but if no suitably trained and experienced player is available to substitute in the event of injury, temporary suspension or dismissal (and the opposition are unable to assist with a suitable replacement) then the match will continue with uncontested scrums for the period necessary and the result will stand. Any additional 'Man Off Rule' will not apply. In the event that a team has caused matches to be played with uncontested scrums continuing up to the final whistle and has gained more than two wins in such circumstances then the League Secretary can decide not to award any further points for that team as a consequence of winning subsequent matches played with uncontested scrums.

10.3. **Maximum score.** In Counties 3 leagues when the scoring differential reaches 60 points the result will be recorded as at that time in the game. If mutually agreed, the match may continue to full time but further scores will not be recorded or reported.

10.4. **Duration of Game.** At Counties 3 the length of a game may be abbreviated to 60 minutes by mutual agreement of both sides and the referee. This can be agreed prior to or during the game. The score at the time the game ends shall be deemed the result unless the maximum scoring differential has already been reached

**Note:**

*Any issue that arises over whether a league match can or cannot be played – such as ground condition or lack of players or lack of a referee – must be discussed prior to the scheduled kick off with the League Secretary before any decision is made. Only the League Secretary can cancel a game and teams must seek authorisation of a postponement. Clubs should make every effort to play a game whenever possible.*

## **DORSET & WILTS RFU COMPETITION REGULATIONS FOR SENIOR MENS RUGBY**

### **1. Organising Committee.**

The Senior Men's Competition Working Group is an executive element of the Community Rugby Committee ("the Committee") and is appointed by the Dorset & Wilts RFU Council. The Committee has responsibility for the regulation and administration of all Dorset & Wilts RFU Senior Men's competitions between affiliated clubs. The Committee will appoint an Administrator for each competition who will liaise with clubs for the administration of the competition.

## **1.1. Powers.**

The Committee has full power to adjudicate on all matters relating to those competitions. Its decisions are binding and final on any matter not provided for in these rules and on the interpretation of these rules. The Committee has the power to exclude clubs at any stage of those competitions.

## **1.2 Membership.**

The Chair will be appointed by the Community Rugby Committee Chair from its membership. Other members will be co-opted as required including a Secretary. The Committee will include all Dorset & Wilts League Secretaries and those appointed by the Chairman to administer each competition listed in paragraph 2 below – current appointees are **Chris Jones (1<sup>st</sup> XV cups) and Mike Moysey (Lower XV cups)**. Others may be invited to attend as may be appropriate and available, such as a representative of the Referees Society or others concerned with organisation and support of rugby in Dorset & Wilts such as RFU staff.

## **2. Entry Criteria and Withdrawals.**

Entry to Dorset & Wilts RFU knock out competitions is limited to clubs affiliated to Dorset & Wilts RFU, a geographic constituent body, but clubs affiliated to neighbouring Constituent Bodies may be accepted for entry to league and merit table competitions. Teams that withdraw from a competition may be denied entry in a subsequent season. Entry to RFU competitions requires Dorset & Wilts RFU approval which will only be given to clubs that enter and compete in the relevant Dorset & Wilts RFU competition from which they may be nominated. Competitions will be administered by the committee as follows with eligibility criteria for entry as given.

### **2.1 1<sup>st</sup> XV Knock Out Cup.**

The competition entry is restricted to the Dorset & Wilts clubs in the English National Club Championship Leagues Level 7 and will be a qualifying competition for the RFU Southern Counties Cup and RFU Intermediate Cup.

### **2.2. 1<sup>st</sup> XV Knock Out Vase.**

This competition is for Dorset & Wilts 1<sup>st</sup> XV's who play in League Level 8 and will be a qualifying competition for the RFU & Southern Counties Senior Vase.

### **2.3. 1<sup>st</sup> XV Knock Out Plate.**

This competition is for all other Dorset & Wilts 1<sup>st</sup> XV's who play in League Level 9 and below and will be a qualifying competition for the RFU & Southern Counties Junior Vase.

### **2.4. Lower XV Knock Outs.**

The committee will offer the opportunity for lower XV's to enter knock outs and organise their grouping as deemed appropriate to ensure a reasonable and effective competition.

## **3. Competition Rules and Administrative Instructions.**

Appendices to these regulations set out the rules and administrative instructions that apply. These are:

**3.1. Appendix 1.** Dorset & Wilts RFU Senior Knock Out Competitions.

**3.2. Appendix 2.** Dorset & Wilts RFU Senior Leagues - De-regulation.

## **4. Ground Safety & Touchline Protocol.**

Host clubs are responsible for ensuring grounds are safe and that adequate arrangements have been made to delineate spectator and replacement areas in accordance with RFU Regulations.

Dorset & Wilts RFU have promulgated a Touchline Protocol that will be used as the yardstick by which referees will judge that a match may be played?

## **5. Risk Assessment.**

With reference to the specifications in RFU Regulation and in accordance with the protocol all clubs in Dorset & Wilts are required to undertake a risk assessment of all their pitches before the first match of each season bearing in mind the requirements to afford protection, the level of play and the likelihood and severity of mishap that could occur - including but without exception the impact that the barrier may also have. A copy of this risk assessment is to be held on site.

## **6. Replacements and Substitutions.**

The RFU regulation is to be followed in respect of replacements and substitutions except where specifically amended in Appendices 1 & 2. Guidance on interchanges and substitutions in Dorset & Wilts RFU competition is detailed in section 11 below.

## **7. Dorset & Wilts Representative Fixtures & Competition Finals.**

Guidelines for clubs that agree to host representative fixtures, cup finals or festivals are given in **Appendix 4.**

### **Appendix 1 of DORSET & WILTS RFU Competition Regulations**

#### **Dorset & Wilts Senior Knock-Out Competitions 2021-22**

All matches are to be played under the Laws of the Rugby Football Union and in accordance with the Regulations set out in the RFU handbook where not otherwise specified in this handbook. The Dorset & Wilts Referees Society will be asked to appoint a referee for each match in an adult Dorset & Wilts RFU knock out competition. Assistant referees will be requested for Cup finals. The home or host club is to confirm arrangements with the appointed referee at least 3 days prior to the match but if a referee is not available for a 2<sup>nd</sup> or 3<sup>rd</sup> XV match then the host club must make every effort to source one. Attention is drawn to the RFU and SW Regulations on drawn matches, referees and touch judges, replacements and identification of players, postponed and abandoned matches, kick offs and grounds. Note that the RFU and SW differ on clashes of colours. For adult rugby in the SW and hence for Dorset & Wilts the away team. Specific applications of the rules are:

### **1. Player Eligibility.**

No player may play for more than one club in any Dorset & Wilts RFU knock out competition in any one season, but players are not Cup tied for Dorset & Wilts competitions by having taken part in an RFU Knock Out competition for another club. Players may transfer clubs and play in League matches as long as registration requirements have been met. Every player must be a playing member of the club he is representing in accordance with the rules of the club and the RFU. A club shall only select members who play regularly for the club and shall not introduce players especially for a competition. The penalty for breach of these rules will be a £25 fine and the offending team will forfeit the match. The committee has the power to deny a club entry the following year. Specific rules on player eligibility for competitions are as follows:

#### **1.1. 1st XV Competitions.**

All players representing 1st XVs in knock out matches must be registered in accordance with the rules that apply to their league level. It should be noted that all players in 1<sup>st</sup> XVs at Level 8 and above require to be registered.

#### **1.2. 2nd XV Competitions.**

Any player who meets the membership criteria can be picked to represent his club 2nd XV if the club have selected a 1st XV for any RFU or Dorset & Wilts competition fixture the same weekend that does not include him. If there is no 1st XV competition fixture, then eligibility is restricted to players who have not represented the Club 1st XV in 50% or more of League matches in the current season up to the day of the match. Players listed on the bench for a 1<sup>st</sup> XV league fixture will not be counted for this purpose.

### **1.3. 3rd XV Competition.**

Any player who meets the membership criteria can be picked to represent his club 3rd XV if the club has selected a 1st XV and 2nd XV for any RFU or Dorset & Wilts competitive fixture the same weekend that does not include him. If either of the higher XV's do not have a competitive fixture, then eligibility is restricted to players who have not represented the Club at a higher level in 50% or more of League matches in the current season up to the day of the match. Players listed on the bench for a 2<sup>nd</sup> XV league fixture will not be counted for this purpose.

## **2. Entry Procedures and Draws.**

Clubs are to be given 4 weeks' notice of the requirement to enter a Senior Competition prior to the closing date. Entries are to be submitted on the pro forma circulated for the purpose and accompanied by entry fees and deposits as specified. Closing dates for entries for senior competitions are to be set so that the draws can be notified to clubs at or before the AGM. The Committee will seed draws as necessary to affect a balanced competition and will specify venues and timings with the draw.

## **3. Withdrawals.**

### **3.1. Team Failure.**

In the event that a team from a club with two or more XV's ceases to fulfil fixtures on a regular basis during a season then, at the discretion of the committee, it will be deemed to have withdrawn from any lower-level competition in which it may be entered, and they will lose their deposit.

### **3.2. Fixture Failure.**

In the event that a team, having entered, fails to fulfil its commitment in any round of any knockout competition then the committee has the discretion to withhold repayment of the deposit, to impose a financial penalty on the club and debar the team from subsequent entry depending on the circumstances. This is in addition to any compensation due to a host club for cancellation at short notice. Such a withdrawal is to be supported by reasons given in writing by an officer of the club within 7 days of the date assigned to the fixture. A failure to give adequate reason will mean a penalty will be imposed and a further penalty may be levied for a failure to respond promptly to requests for information from any member of the Committee.

### **3.3. Consequences for Lower XV's.**

In particular a club that withdraws its team from the 1<sup>st</sup> XV Cup will be deemed to have withdrawn its 2<sup>nd</sup> XV & 3<sup>rd</sup> XV respectively from any knockout - if it is still in one at the time of withdrawal.

## **4. Competition Schedules.**

Dorset & Wilts RFU competitions are planned to fit in with the Senior Structured Season which the RFU publishes each year. Every non-league weekend within the season is taken to be available for competition with the exception of those declared by the RFU in the Structured Season to be a "ring fenced weekend" where matches can only be arranged if both clubs and the Committee agree. The Competition Administrator will promulgate the weekend on or by which each match is to be played.

## **5. Finals.**

Dorset & Wilts Knock Out Finals will take place at neutral venues unless both teams agree otherwise. Target dates for finals will be circulated by Competition Administrators. The venue and date for each Knockout Final will be confirmed by the Committee when sufficient progress has been achieved in that competition. If the competition would otherwise not be concluded within the season, then a mid-week final may be required. 1<sup>st</sup> XV competitions will usually have to be complete before Christmas in order that the winners may go forward into the national competition, so schedules will be very tight. Note that in a Final at a neutral venue the team drawn first is to supply the balls for the match and is the home team for administrative purposes, colour clashes etc.

## **6. Precedence.**

If either team drawn to play in a match in a Dorset & Wilts competition is committed to an RFU competition, then the next available Saturday is to be used as per RFU rules of precedence. Dorset & Wilts RFU competition matches take precedence after RFU, Representative and League commitments but ahead of other fixtures.

Note: In exceptional circumstances, in order to progress the competition, the Committee can order the match to be played on the Sunday where a higher precedence match has been played on the Saturday or to be played mid-week where floodlights are available. The Competition Administrator is to be notified as soon as this situation becomes known. Only when the situation is unavoidable will clubs be ordered to play on the Sunday of the same weekend as another competition. Administrators must be informed directly a League or RFU fixture re-arrangement necessitates the postponement of a match in a Dorset & Wilts RFU competition i.e., 2<sup>nd</sup> and 3<sup>rd</sup> XV matches.

## **7. Changes.**

The approval of the Administrator is required prior to any change in arrangements for a match not enforced by rules of precedence and permission will normally only be granted for the Sunday of the same weekend. Requests and approvals for such a change are to be confirmed formally in writing or by e mail.

## **8. Results, Team Lists and Verification.**

The Administrator (see list above) is to be notified of the result by telephone by 5.30pm on match day. This is the responsibility of the home club or in the event of a neutral venue for a knockout, the club qualifying for the next round. Match results and team lists are to be entered using the electronic match card.

## **9. Drawn Matches.**

If the scores are level at the end of a match in a knockout there will be a five-minute break, the teams will change ends and there will be a period of extra time of 10 minutes each way, with a one-minute interval. If the scores are then still equal, the team that has scored most tries shall be declared the winner. If this does not produce a result, the team that has scored the most goals from tries shall be declared the winner. If this does not produce a result then in all matches save for matches played at neutral venues, the away team shall be declared the winner. For matches played at a neutral venue under arrangements made by the committee, as would be the case for most Cup Finals, if the scores are still tied then the result shall be decided as follows:

Each team shall nominate one player from its number on the field of play at the final whistle to participate on its behalf in a place-kicking competition.

Starting with the kicker from the team that kicked-off the match, each kicker in turn shall attempt a place kick from the predetermined positions indicated in Regulation 13.6.5(b)(iii)(D) of the RFU Regulations until such time as, after an equal number of attempts, one kicker has kicked more goals than the other.

These attempts will be made towards the goal posts nearest the players' entrance tunnel to the pitch or in the event of both sets of goal posts being of equal distance from the players entrance tunnel the goal posts to the left of the said tunnel when emerging from it.

The attempts will be taken from the following positions in turn, repeating the sequence until a winner is decided:

the centre of the 22-metre line

the intersection of 22-metre and 15-metre lines to left of posts facing

the intersection of 22-metre and 5-metre lines to left of posts facing

the intersection of 22-metre and 15-metre lines to right of posts facing

the intersection of 22-metre and 5-metre lines to right of posts facing.

## **10. Penalties.**

The Competition Administrator may impose a penalty for any failure to comply with reporting requirements or breaches of any rules. The penalty for each failure will be at the discretion of the Administrator. A fine is

subject to confirmation by the Competition Working Group to which a club may appeal. An appeal above that level would be to the Chair of the Community Rugby Committee but if confirmed the penalty can be increased.

## **11. Replacements.**

The number of replacements and interchanges is summarised in RFU regulation 13 Appendix 2. RFU regulation will apply to Dorset & Wilts 1<sup>st</sup> XV– ie 7 replacements - but for all other knock out matches within Dorset & Wilts no more than 4 replacements will be permitted including all semi-finals. Five or more players in a team are to be Front Row capable as summarised in the table below:

| Round                          | Number of replacements | Number of named Front row in the Squad | Interchanges (up to) |
|--------------------------------|------------------------|--|----------------------|
| Up to and including Semi-Final | Up to 3                | 4 (an extra Prop or Hooker)            | 8                    |
|                                | 4                      | 5 (extra Prop and Hooker)              | 9                    |
| Final                          | 5                      | 5 (extra Prop and Hooker)              | 10                   |
|                                | 6                      | 5 (extra Prop and Hooker)              | 10                   |
|                                | 7                      | 5 (extra Prop and Hooker)              | 12                   |

### **As per RFU Regulation 13 and World Rugby Law 3**

## **12. Disputes.**

In the event of a dispute or an objection that cannot be resolved by the Administrator, a club must put its concerns in writing and send them to the Secretary. If the problem relates to a match, then it must be received no later than 4 days after the match concerned. The Committee shall have absolute discretion to resolve any such disputes or objections as it shall think fit. The Committee's decision shall be final and binding on all parties.

## **Rules and Guidance for D&W Age Grade Competitions 2022-23**

### **Introduction and Principles**

Age Grade Competitions in Dorset & Wilts are organised by the Age Grade Department. They are player focussed with the aim being to support the development and retention of players.

There is an assumption that Coaches & Managers can be trusted to show common sense and approach these competitions in a fair and reasonable manner with clubs working collaboratively and flexibly within the spirit and letter of the cut down rules and guidance we are now providing.

It is expected that Clubs will be determined to get games played and in doing this will be as flexible and creative as possible with a willingness to overcome difficulties. Cancellation should only ever be the very last resort. This is particularly important as many Clubs continue to build back from the pandemic and so flexible thinking by all is essential.

The Age Grade Playing Calendar is designed to avoid clashes with DPP and as far as possible PDG activities. If clashes do occur this should not be a reason for postponement unless a team has five or more players away for this reason.

There are some rules which have to be followed, mainly those that stem from RFU Regulations, and when referring to these we will use the word 'must'. If these are ignored, then a sanction is likely to be imposed by the Competition Organiser or the matter referred to the Disciplinary Committee.

We will sometimes use the word 'expected'. In these situations, Clubs should normally follow the rule or guidance but if there are extenuating circumstances these can be discussed with the Competition Organiser. If the Competition Organiser discovers that such a rule is not being followed, they will normally initiate the conversation with the Club and only if the breach continues will a sanction be applied.

We will sometimes use the word 'encourage' when we would like Clubs to follow something we regard as good practice, and which may become a requirement in future seasons.

## **Player Eligibility**

To play in any of these competitions' players must be affiliated to the club they are representing (or one of the clubs involved if it is a combined team) accept that players may be borrowed from the opposing team for a particular game to allow that game to go ahead.

Players must only play in their own Age Grade unless all the necessary procedure described in RFU Regulation 15 have been followed. Please not that combining Under 16 teams on block with Under 18s is not allowed but playing up or down in accordance with Regulation 15 is still permitted as long as the necessary conditions are met. This is done for individual players and is the exception rather than the norm. It must not be used to combine teams 'by the back door'.

Where Clubs enter more than one team in an age grade movement of players between teams should only take place due to the development of the player. Clubs should assign one third of their player to their higher team only, one third to both teams and the final third to the lower team only and aim to work within these parameters when selecting teams. If teams need to move a player, they should consult the manager of that competition ahead of the game.

## **Fixtures**

Other than Knock Out Finals and the Under 12 Tournaments all fixture dates are PLAY BY DATES and other dates can be used by agreement between Clubs. If agreement cannot be reached the default is the given date. The kick of time is determined by the home Club.

**If a game is rescheduled for a date before the play by date the Competition Manager must be informed. If Clubs wish to arrange a date later than the play by date then the agreement of the Competition Manager must be obtained in advance.**

If a game has to be postponed due to bad weather or ground conditions the default date becomes the next available Sunday where there is not a clash with County training or matches. **If Clubs wish to play on a later date, they require the permission of the Competition Organiser.**

If conditions are doubtful the home team are expected to arrange an inspection early enough to avoid the away team travelling unnecessarily.

## **Referees**

The Referee's Society is notified automatically through GMS and WhostheRef of Competition Fixtures and asked to appoint referees to as many games from Colts down to Under 14 as possible. Society Referees are not normally appointed to Under 12 and Under 13 games.

All Clubs have one or more Referee Contacts registered with the Society who receive notification of all appointments. They can also log onto WhostheRef to check whether a referee has been appointed. Competition Managers do not have access to information about referee appointments.

For all Under 12 and Under 13 games and for other games where a Society Referee is not appointed it is the responsibility of the home club to appoint the most appropriate referee they can.

1. Ideally the referee appointed will be qualified but they must at a minimum have the competence and experience to referee the game safely and fairly.
2. Ideally the referee appointed should be neutral – ie not from either club.
3. If this is not possible than the next best option is to use a home club referee who normally works with a different group.
4. If it is necessary to have a referee from within the group playing, then the home club is expected to invite the away club to referee half the game if they wish and have a suitable referee present.
5. If the home club is unable to find a suitable referee the away club should be asked to do so.

## **Results**

To avoid any confusion the Lead Coaches or Managers of both teams are encouraged to ask the referee to confirm the result at the end of the game. The referee's decision is final.

All our competitions now use Electronic Match Cards. Separate instructions are available.

If for any reason it has been agreed with the Competition Manager that an EMC cannot be used, an emergency paper Match Card (see below) should be used but only as a fall back.

## **Duration of Matches**

The duration of matches will normally be the maximum time laid down for the Age Grade in Regulation 15. Colts & Under 16s – 35 minutes each way, Under 15s – 30 minutes each way, Under 14s & Under 13s – 25 minutes each way, Under 12s – 20 minutes each way (shorter games will be played in Tournaments with a maximum total of 70 minutes).

No additional time can be played other than time added on for injury stoppages.

**From Colts down to Under 14 a game shall finish when the points difference reaches or passes **50 points****

**For Under 12s and Under 13s a game shall finish when the try difference reaches **6 tries****

Those shall be deemed the finals scores for competition purposes and play can only continue if substantial adjustments (swapping players etc) are made in order to make it more balanced.

## **Expected & Minimum Numbers of Players**

The expected numbers to play at each Age Grade and the minimum numbers required for a game to start or continue as part of the competition are given below.

If at least one team is unable to field sufficient players, the side with the greater number of players must either lend players or reduce their numbers so both sides have the same. Teams are encouraged to lend and accept the loan of players but are not obliged to do so. The numbers on each side do not have to be equalised following a yellow or red card.

If the numbers available at the start or at any point during the game drop below the minimum teams are encouraged to play some form of friendly rather than cancel a game. If a friendly is played for competition scoring purposes the game will be awarded with maximum points and score difference to the side that has the necessary number of players, but the other side will still receive their point as if they had lost a competition game.

If no game of any sort takes place this should be reported to the Competition Manager who will determine how the result will be recorded. A walkover will only be awarded if the side that is able to play has made every effort to help the game to take place.

Otherwise, the game may be declared null with no points awarded to either side or a 0-0 draw recorded depending on the circumstances. Clubs may not claim or concede walkovers without the agreement of the Competition Manager,

Colts through to Under 14 – 15 per side expected with 10 per side minimum for competition purposes.

Under 13 – 13 per side expected with 9 per side minimum for competition purposes.

Under 12 – 12 per side expected with 8 per side minimum for competition purposes.

## **Front Row**

From Colts to Under 13, whenever possible teams are expected to include a trained and experienced front row and replacement(s). If this is not possible games may start or continue with uncontested scrums and the result will still count for competition purposes.

Under 12 scrums are formed of the nearest five players and only the strike is contested so specialist front rows are not required.

### **Match Day Squads**

**Unless agreed between the two Clubs or with the Competition Manager** the maximum size of Match Day Squad will be:

Colts through to Under 14 – 22; Under 13 – 19; Under 12 – 18.

Separate rules will be issued for the Under 12 and Under 13 Tournaments where generally more players are allowed.

'Rolling substitutions' are permitted in all our Age Grade competitions and there is no restriction on the number of 'rotations'.

### **Use of All Registered Players**

The aim is to encourage participation. While it is still viewed as good practice to share competition experience widely across the players in large squads there is now no requirement that each player plays in a specific number of games. This method of sharing game time has been replaced by the Half Game Rule.

### **Half Game Rule**

Teams in all levels of Age Grade Rugby are required by the RFU to implement the Half Game Rule (see RFU Reg 15.12). Using the premise that we trust coaches unless and until they prove otherwise this will initially be self-policed. If justified concerns are raised that this trust is being abused Competition Organisers would have to impose a more onerous logging system on the team involved. Deliberate abuse of this rule would be regarded as a serious breach of discipline.

### **Scoring in Groups and Leagues**

In Pools and Leagues, the scoring system will be:

|                                |            |   |
|--------------------------------|------------|---|
| <b>Youth (including Colts)</b> | Win        | 5pts  |
|                                | Draw       | 3pts  |
|                                | Lose       | 1pt (as long as game is played as a competition game) |
|                                | Try Bonus  | 1pt (four or more tries scored)                       |
|                                | Lose Bonus | 1pt (lose by seven or less points)                    |
|                                | Walkover   | 6pts and score of 20-0 (4 tries to nil)               |

The default score for a walkover is 20-0 (4 tries to nil) for Colts and Youth although Competition Managers may adjust this result depending whether or not both sides have made every reasonable effort to keep the game on.

|             |          |   |
|-------------|----------|---|
| <b>Midi</b> | Win      | 5pts  |
|             | Draw     | 3pts  |
|             | Lose     | 1pt (as long as game is played as competition game) |
|             | Bonuses  | None awarded  |
|             | Walkover | 4pts and score of 20-0 (4 tries to nil)             |

The default score for a walkover is 4 tries to nil although Competition Managers may adjust this result depending whether or not both sides have made every reasonable effort to keep the game on.

### **Splitting Ties in Groups or Leagues**

If teams are finish level in a table, the order will be decided by:

1. The team with greater overall difference between points scored and points conceded in all games.
2. The team scoring the higher total number of points in all games.
3. The team scoring the higher total number of tries in all games.
4. The result (or aggregate result in leagues which play home and away) between the tied teams.

## **Drawn games in Knock Out Competitions**

No extra time (other than time added on for injury stoppages) is played.

1. The winner is the team scoring the more tries
2. The winner is the team scoring the more penalty kicks
3. The winner is the team that scored the first try
4. The winner is the team that scored first
5. If there is no score the away team shall be declared the winner

## **Matters not covered, disputes and appeals**

Matters not fully covered by these rules will be decided by the overall Competitions Organiser where necessary in conjunction with the Forum Chairs. Unless changed in these rules decisions will normally be based on previous rules and practice.

Disputes will be resolved initially by the Managers of individual competitions who may refer them to the overall Competitions Organiser.

Any disciplinary issues will be passed on to the Youth & Schools Discipline Officer.

Any appeals against decisions of the Competitions Organiser will be considered by a sub-group set up for that purpose.
